Expected Family Contribution

Based on the information we have on record for you, your Expected Family Contribution (EFC) is 0. You may be eligible to receive a Federal Pell Grant and other federal student aid. Your school will use your EFC to determine your financial aid eligibility for federal grants, loans, and work-study funds, and possible funding from your state and school.

There is a limit to the total amount of Federal Pell Grants that a student may receive, which is the equivalent of six school years. Once a total amount of Federal Pell Grant eligibility has been received, a student can no longer receive Federal Pell Grant aid.

Based on your EFC of 0, you may be eligible to receive a Federal Pell Grant of up to \$6,895 for the 2023–24 school year provided you have not met or exceeded the lifetime limit established for the Federal Pell Grant program.

DON'Ts

- Do not upload the page that only shows that you've applied.
